

Subject: Street Vending Hearing tomorrow - 1p, City Hall Chambers
From: Jessica Lall <jessica@southpark.la>

Hi Everyone -

Just a reminder that tomorrow is the Economic Dev hearing on street vending at 1p in Council Chambers (agenda attached). I really encourage all of you to be there if possible - it is the only agenda item.

Attached the report released on Wednesday. I'm also attaching the response CCA Letter sent today.

I would encourage each of you to reach the Daily News Article from this weekend as it is very timely:

<http://www.dailynews.com/government-and-politics/20141129/shrinking-city-hall-workforce-threatens-garcettis-back-to-basics-agenda>

As for talking points - we will be limited to 2min so I would encourage each of you to emphasize the need for more information on the listed recommendations, and to further consider liability, the BIDs being reimbursed by the vendors. I think reminding the city of the realities that exist in terms of resources and how that will impact enforcement and implementation is key.

Let me know if you have questions.

Hope to see you there.

Best,

Jessica Lall
